

Welcome!

For the protection of all our children and our nursery caregivers, we can only allow well children to attend our programs.

A well child has:

- No non-clear runny nose
- No chronic cough
- No fever over 99.6, currently or for the last twenty-four hours.
- No vomiting or diarrhea, currently or for the last 48 hours without meds.
- No unexplained rash
- No skin infections, impetigo, boil, ringworm
- No eye infections
- No childhood diseases such as chickenpox, mumps, measles, rubella, pertussis, scarlet fever, etc.
